## **PHYSICAL THERAPIST/PHYSICAL THERAPIST ASSISTANT** **EXAMINATION APPLICATION**

Dear Applicant:

Enclosed please find the application for licensure in physical therapy in our Great State of Nevada! Please note that Physical Therapists and Physical Therapist's Assistants must have a Nevada license to practice physical therapy in Nevada.

Per Board policy, fingerprint submissions expire 6 months after receipt unless an application is received. Any items received in the Board office towards the licensure process (transcripts, etc.) will only be held for 6 months from the date of receipt, unless an application is received. Board staff will not verify receipt of any items received until such time an application has been received by the Board.

Please note that the Board office will only work directly with the applicant during the application process. We will not discuss your application or status of licensure with prospective employers or recruiters. This is to protect your privacy and to avoid confusion.

After mailing your application, please allow 10 days before contacting the Board for status. This will allow staff sufficient time to create your database file and permanent file. Please make all inquiries for application status via email at [ptapplication@govmail.state.nv.us](mailto:ptapplication@govmail.state.nv.us). Be sure to include your full name and last four numbers of your social security number in your email. You may also call the Board office for status.

Please update the Board with any changes to your residential address or phone numbers. Also, when you secure employment in Nevada please provide the name of the Nevada facility, completed address, phone and fax numbers. You may submit updates via fax, mail, or to the licensing assistant via the email provided above. Upon licensure, a copy of your license will be faxed to your Nevada facility of record (if provided) which will allow you to work. Please post a copy of the license until you have received the original in the mail.

If you have any questions, please contact us. We will be pleased to assist you in any way we can.

Sincerely,

The Nevada Physical Therapy Board

## NEVADA PHYSICAL THERAPY BOARD REQUIREMENTS FOR THE EXAMINATION APPLICANT

**FINGERPRINTING.** Email the Board at [ptapplication@govmail.state.nv.us](mailto:ptapplication@govmail.state.nv.us) to request the fingerprinting information. Please include your full name in your email so that we can establish a record in the office. Board staff will email you the information to obtain fingerprinting. You are encouraged to begin this process before applying for licensure, however do not begin this process unless an application will follow within 4-5 months.

**License Verification.** Complete the top section of the form. Mail to each state in which you are now, or were previously, ***licensed in any healthcare related field***. Please contact the receiving jurisdiction(s) to determine if a fee is required. We will not accept faxes or verifications, nor will the Board verify your license on-line. We require original license verifications received directly from the issuing bodies in sealed envelopes.

**Transcripts.** For every college attended (whether or not a degree was awarded), original transcripts in sealed envelopes must be mailed to the Board office. **P.T.A's** must also submit an original high school transcript in a sealed envelope. **NOTE:** You can sit for the NPTE prior to graduation if you are in the **final semester** of your physical therapy education. Please have your school send an official transcript directly to the Board office. We will not accept a letter from your school as to your status; the official transcript is required. Be sure to also request that an official transcript is to be issued to the Board once your degree is posted. You cannot be licensed without the original transcript with the degree posted.

**Jurisprudence Exam.** Complete the provided jurisprudence (Law) Examination and return it to the Board office with the completed application. We will return a copy of the graded examination to you. Please use the Practice Act (Nevada Revised Statutes and Nevada Administrative Code) when taking this examination. All of the answers can be found in the Practice Act. The Practice Act can be found on the Board's website at [www.ptboard.nv.gov](http://www.ptboard.nv.gov), click on Practice Act. Be sure to print the NAC and the NRS.

**Register to sit for the National Physical Therapy Examination (NPTE).** You may sit for the examination if you are in the final semester of your physical therapy education. Please refer to the "transcripts" section in this packet for information.

Go on-line to: [http://www.fsbpt.org/ExamCandidates/NationalExam\(NPTE\).aspx](http://www.fsbpt.org/ExamCandidates/NationalExam(NPTE).aspx)

This site is where you register and pay for the examination. We strongly encourage you to register for the NPTE before you mail your application. If you are ***disabled*** according to the Americans with Disabilities Act, please contact the Board office for the special accommodations form.

**The PT and PTA examinations are only offered on fixed dates, four times per year. Please visit the FSBPT website for information on testing dates and registration deadlines:**

[https://www.fsbpt.org/ExamCandidates/NationalExam\(NPTE\)/RegistrationProcess.aspx](https://www.fsbpt.org/ExamCandidates/NationalExam(NPTE)/RegistrationProcess.aspx)

Once you have a completed licensure application on file, we will electronically contact the FSBPT and authorize your registration. Again, you are encouraged to register for the NPTE prior to mailing your application to avoid any delay. The FSBPT will send you an Authorization to Test Letter (ATT) letter to the email address you provided in your registration. The ATT letter contains all of the information needed to schedule your examination. You may also download the ATT letter from the "Status of My Request" section at the site where you registered.

Approximately 5-7 days after testing, candidates can get score information by going to the FSBPT website under “Status of My Request”. It will either say “Score Received – Pass” or “Score Received – Fail”. Additionally, the FSBPT provides a free score report to all candidates 10 days after the test. Please refer to the FSBPT Candidate Handbook for the details. **Please do not call the Board office, testing center or FSBPT for your results.**

Upon receiving confirmation of passing the examination, your license will be issued in **approximately** 2-5 days, providing your fingerprinting report has been received and reflects no activity. You may not work until you have a license!

**Graduate of Physical Therapy.** New graduates wishing to have the Graduate of Physical Therapy designation must complete the provided Graduate of Physical Therapy form and return it to the Board office. The completed form can be returned with your application or submitted when you secure employment.

The Graduate of Physical Therapy designation is only available to applicants who have a completed and approved application on file, including an official transcript with posted degree. This also includes being approved for the National Physical Therapy Examination and the Board’s receipt of the results of your fingerprinting. A confirmation of “graduate status” will be sent by the Board upon approval. **You may not work under this designation without the confirmation letter from the Board.** Any activity reflected in the fingerprinting reports may prevent graduate status designation. Applicants are not eligible for graduate status if they fail to disclose any activity, and a Board appearance will be required.
