Continuing Competency

CONTINUING COMPETENCY REQUIREMENTS

The Nevada Physical Therapy Board is aware that in-person continuing competence opportunities have been cancelled during the COVID-19 pandemic. Many course sponsors have converted approved live courses to distance learning courses, and the Board is allowing the online courses to substitute for approved live courses during the 2020 renewal period.

Licensees may complete all continuing competence courses online! There are numerous approved online/internet courses available to PTs and PTAs for the completion of continuing competency requirements. The list of approved courses can be found at: <http://ptboard.nv.gov/uploadedFiles/ptboardnv.gov/content/CE/ApprovedCourses.pdf>.
