The meeting was called to order at 8:08 am. Committee Members present: Tiffany Barrett, Chair, Jenny Luthy, Vice Chair, Krysta Boyd, PT

Staff present: April Ramirez, Board Operations Support Specialist

Item 2 - Public Members present: None

Item 3 - Review, discuss, amend and approve ACCC Meeting Minutes (**For Possible Action**).

A. December 3rd, 2021

Motion: Motion to approve the December 3rd, 2021, Meeting Minutes as presented: Jenny Luthy, Vice Chair

Motion Passes Unanimously

Item 4 Review and Discussion on Board Meeting Actions.

A. Laura Cerame Board Liaison- Item has been tabled for the next meeting, Laura was unable to attend this meeting.

Item 5 Course Appeal Request (**For Possible Action**). The Committee will review, discuss and possibly take action on previously denied course applications.

A. Biologix Solutions, LLC

The ACCC Committee held a discussion on the following course appeals from Biologix, The Committee feels that engaging with the course instructor is important and having a video/recording component to a self-paced reading course is important. Chair Tiffany Barret stated that she would be willing to speak to the course provider if needed to explain the denial reason. The Denial still stands regardless of the reading format. The ACCC recommends adding an instructor led component to the course.

The ACCC committee will keep the denial for the course appeals as this is still considered self-paced reading. Denial Code C.1.a Self-paced reading of textbooks/Chapters of textbooks/excerpts of textbooks/copies or reprints of textbooks or peer reviewed journal article with posttest.

Motion: Motion to keep the Denial C.1.a for the presented course appeals from Biologix, Tiffany Barrett, Chair

Second: Jenny Luthy, Vice Chair

Motion Passes Unanimously

B. At Home Seminars

The ACCC Committee held discussion for course appeals presented from At Home Seminars. For the record Chair Tiffany Barrett stated that the ACCC Committee is not targeting At Home Seminars. We spent ten minutes on discussing Biologix denials as well. So, it's not only at Home Seminars that we're denying. It just happens to be that At Home Seminars has the most self-paced reading courses. Again, the ACCC Committee recommends adding an instructor led component to the courses submitted as self-paced reading.

Motion: Motion to keep the Denials of the presented course appeals from At Home Seminars, Tiffany Barrett, Chair

Second: Jenny Luthy, Vice Chair

Motion Passes Unanimously
