

The Nevada Physical Therapy Board Partners with CE Broker to serve as the official CE tracking and reporting system.

Effective June 1, 2024, Nevada licensees are required to create a CE Broker account and submit their education and training activities through CE Broker prior to completing their license renewals.

The Board has provided all licensees with a free Basic Account. To register, visit <https://cebroker.com/nv/account/basic/>, and you'll have their helpful CE tracking tools right at your fingertips.

After June 1, 2024, licensees will be unable to renew their licenses until they have successfully uploaded their CCUs in the CE Broker system.
